

Olly, Olive's first all day Café & Bar is your home away from home, your everyday place for respite from the madness of life in the city we love. Freshly brewed coffee, bespoke drinks, artisanal cocktails – free of synthetic ingredients, house-made cold-pressed juices, spritzers, and a café menu of the greatest hits are just a few of Olly's everyday offerings. Think super food salads, hand-rolled pizzas and pastas, small plates and large, grains + greens, and homemade desserts all with a focus on seasonality and freshness. Drop by anytime for a quick pick-me-up, or hang back with good friends or a good book. Our terrace is deliciously cool, with live music on the side. This Cyber Hub café (and we think best café in Gurgaon) has got you covered all day, every day. Come in and say hi!
